Hot-Dip Tanks

REFERENCE: FJBA - 1306, dated 26 July 1954
FJYW - 2935, dated 29 April 1954

1. [redacted] appreciated the information forwarded in regard to your packaging facilities and the hot dip tanks constructed for you. We will appreciate knowing how these tanks perform in your future work. 25X1

2. [redacted] has begun a burial testing program on various packaging materials. These materials have been placed under various soil and water conditions; and after appropriate lengths of time have elapsed, these materials will be examined. A copy of the reports on this program will be forwarded to you for information and comparison with your experiences with these materials at your station. 25X1
